Your name: Maya Fujita

Group #: 4

Project Title: Analysis of Homeless Individuals in California

1. What are the names of your other group members? Next to each name, please state their primary responsibility.

Isabelle Bodner: work on analysis for age data set

2. What was your overall experience with the project? Do you feel like it was a valuable learning experience? Were there any problems?

Yes I thought this project was extremely helpful, because we could see how applicable everything is that we learned in this class.

It made me feel confident that I could use my knowledge from this class in other situations

3. Did all members of your group contribute evenly? Please explain.

Yes we split up a lot of the analysis but worked together to make sure we were on same page about coordinating what type of analysis we were doing

4. If you had to give yourself a grade (A-F) on this project, what would your grade be? Please explain.

A I think we used a diverse set of skills learned throughout course to extrapolate and present meaningful information from a larger dataset

5. Do you have any other questions or concerns?

No! I really appreciate this project and had a lot of fun with it!
